

Statement of Work Template

Project authorization form to attach to the Master Design Services Agreement for each new scope of work.

Designer	Client
Brandon Fonville Brandon Fonville Creative Studio Raleigh, North Carolina, United States hello@brandonfonville.com https://brandonfonville.com	Blue Collar Millionaire / Temperature Pros LLC (confirm exact legal entity) _____ _____
Agreement #	BF-SOW-2026-001
Effective date	_____

Recommended use: fill out and sign a fresh SOW for every project, add-on, trademark task, source file request, or new design scope.

1. Project information

Project name: _____

Project type: _____

Project objective: _____

This Statement of Work is governed by the Master Design Services Agreement between Designer and Client.

2. Approved deliverables

Deliverables included in this scope:

- Logo design / brand mark: _____
- Apparel or merchandise graphics: _____
- Website or digital design: _____
- Print, packaging, or marketing materials: _____
- Trademarking or filing support: _____
- Other: _____

Deliverables not listed above are not included unless added by written change order.

3. Timeline and milestones

Estimated start date: _____

Estimated target delivery: _____

Client feedback window: _____ business days per review round.

Timeline depends on timely client feedback, approvals, content, assets, access, and payment.

4. Revisions

Included revisions: _____ rounds.

Revision rounds must be consolidated and submitted in writing.

Additional revisions, new directions, new deliverables, or reopened approvals may be billed separately.

5. Fees and payment schedule

Project fee: \$ _____

Deposit due before work begins: \$ _____ or _____ %

Milestone payment(s): _____

Final balance due before final file release, transfer, launch, source file release, or delivery: \$ _____

Payment for this SOW is independent from all other active or future scopes unless expressly combined in writing.

6. Final files and source files

Included final exports/formats: _____

Editable/source files included? Yes / No

If not included, source files may be purchased separately. Default logo source file package fee: \$100 unless otherwise stated.

Designer retains drafts, unused concepts, working files, tools, templates, and source files unless expressly transferred in writing.

7. Change orders and pauses

Any request outside this SOW requires written approval and may affect price and timeline.

Designer may pause this SOW and any other active work if any invoice becomes overdue.

Payment for completed work under this SOW may not be delayed because another scope, invoice, agreement, or project is still pending.

8. Approval

By signing below, Client approves this SOW and authorizes Designer to begin work subject to required payment.

Client confirms the signer has authority to approve this scope and payment obligation.
